

Rivergum Village Medical Centre and Mernda Village Medical Centre

Practice Nurse positions available

We have two positions available for experienced Practice Nurses.

Rivergum Village Medical Centre

We are opening a new practice in early 2019 at the busy Rivergum Village Shopping Centre in South Morang. We are a busy accredited practice already operating across 5 sites in the Nillumbik Shire and Northern suburbs. We provide all aspects of general family medicine including Antenatal Care and with a focus on skin therapy.

This is an exciting opportunity for an experienced Practice Nurse (Registered Nurse Division 1) to join our expanding team and help shape a new practice at Rivergum. The position will be 15 - 20 hrs per week with scope to increase hours over time. The exciting role will be a combination of general practice nursing and preventative health.

Mernda Village Medical Centre

We also have a position available for an experienced Practice Nurse (Registered Nurse Division 1) to work in our existing Mernda Village Medical Centre. This position will be up to 30 hours per week and will be a combination of general practice nursing and preventative health.

To be successful in your application, you will have:

- A current AHPRA registration
- Previous experience in a General Practice setting
- Certification as Nurse Immuniser (not essential, but desirable)
- At least 3 years' experience of General Nursing
- Exceptional time management and organisation skills
- Team Player who can also work autonomously taking on responsibility when required
- Have excellent communication and interpersonal skills
- Be computer literate; and
- Highly motivated and flexible to work a range of shifts (across different locations) which may include afternoons.

Duties include (but not limited to):

- Wound Management
- Immunisations - Childhood, Adult & Travel Vaccines
- Chronic Disease Management Plans & Health Assessments
- Triage and result management

- Assist doctors with minor procedures
- General nursing appointments

Please forward applications to our HR team via email on lbrooks@lifelonghealthcare.com by **2 November 2018**

For enquiries in relation to the roles, please contact Felicity Emery (Clinical Care Manager) on 9430 8844.
